Crescent Mall

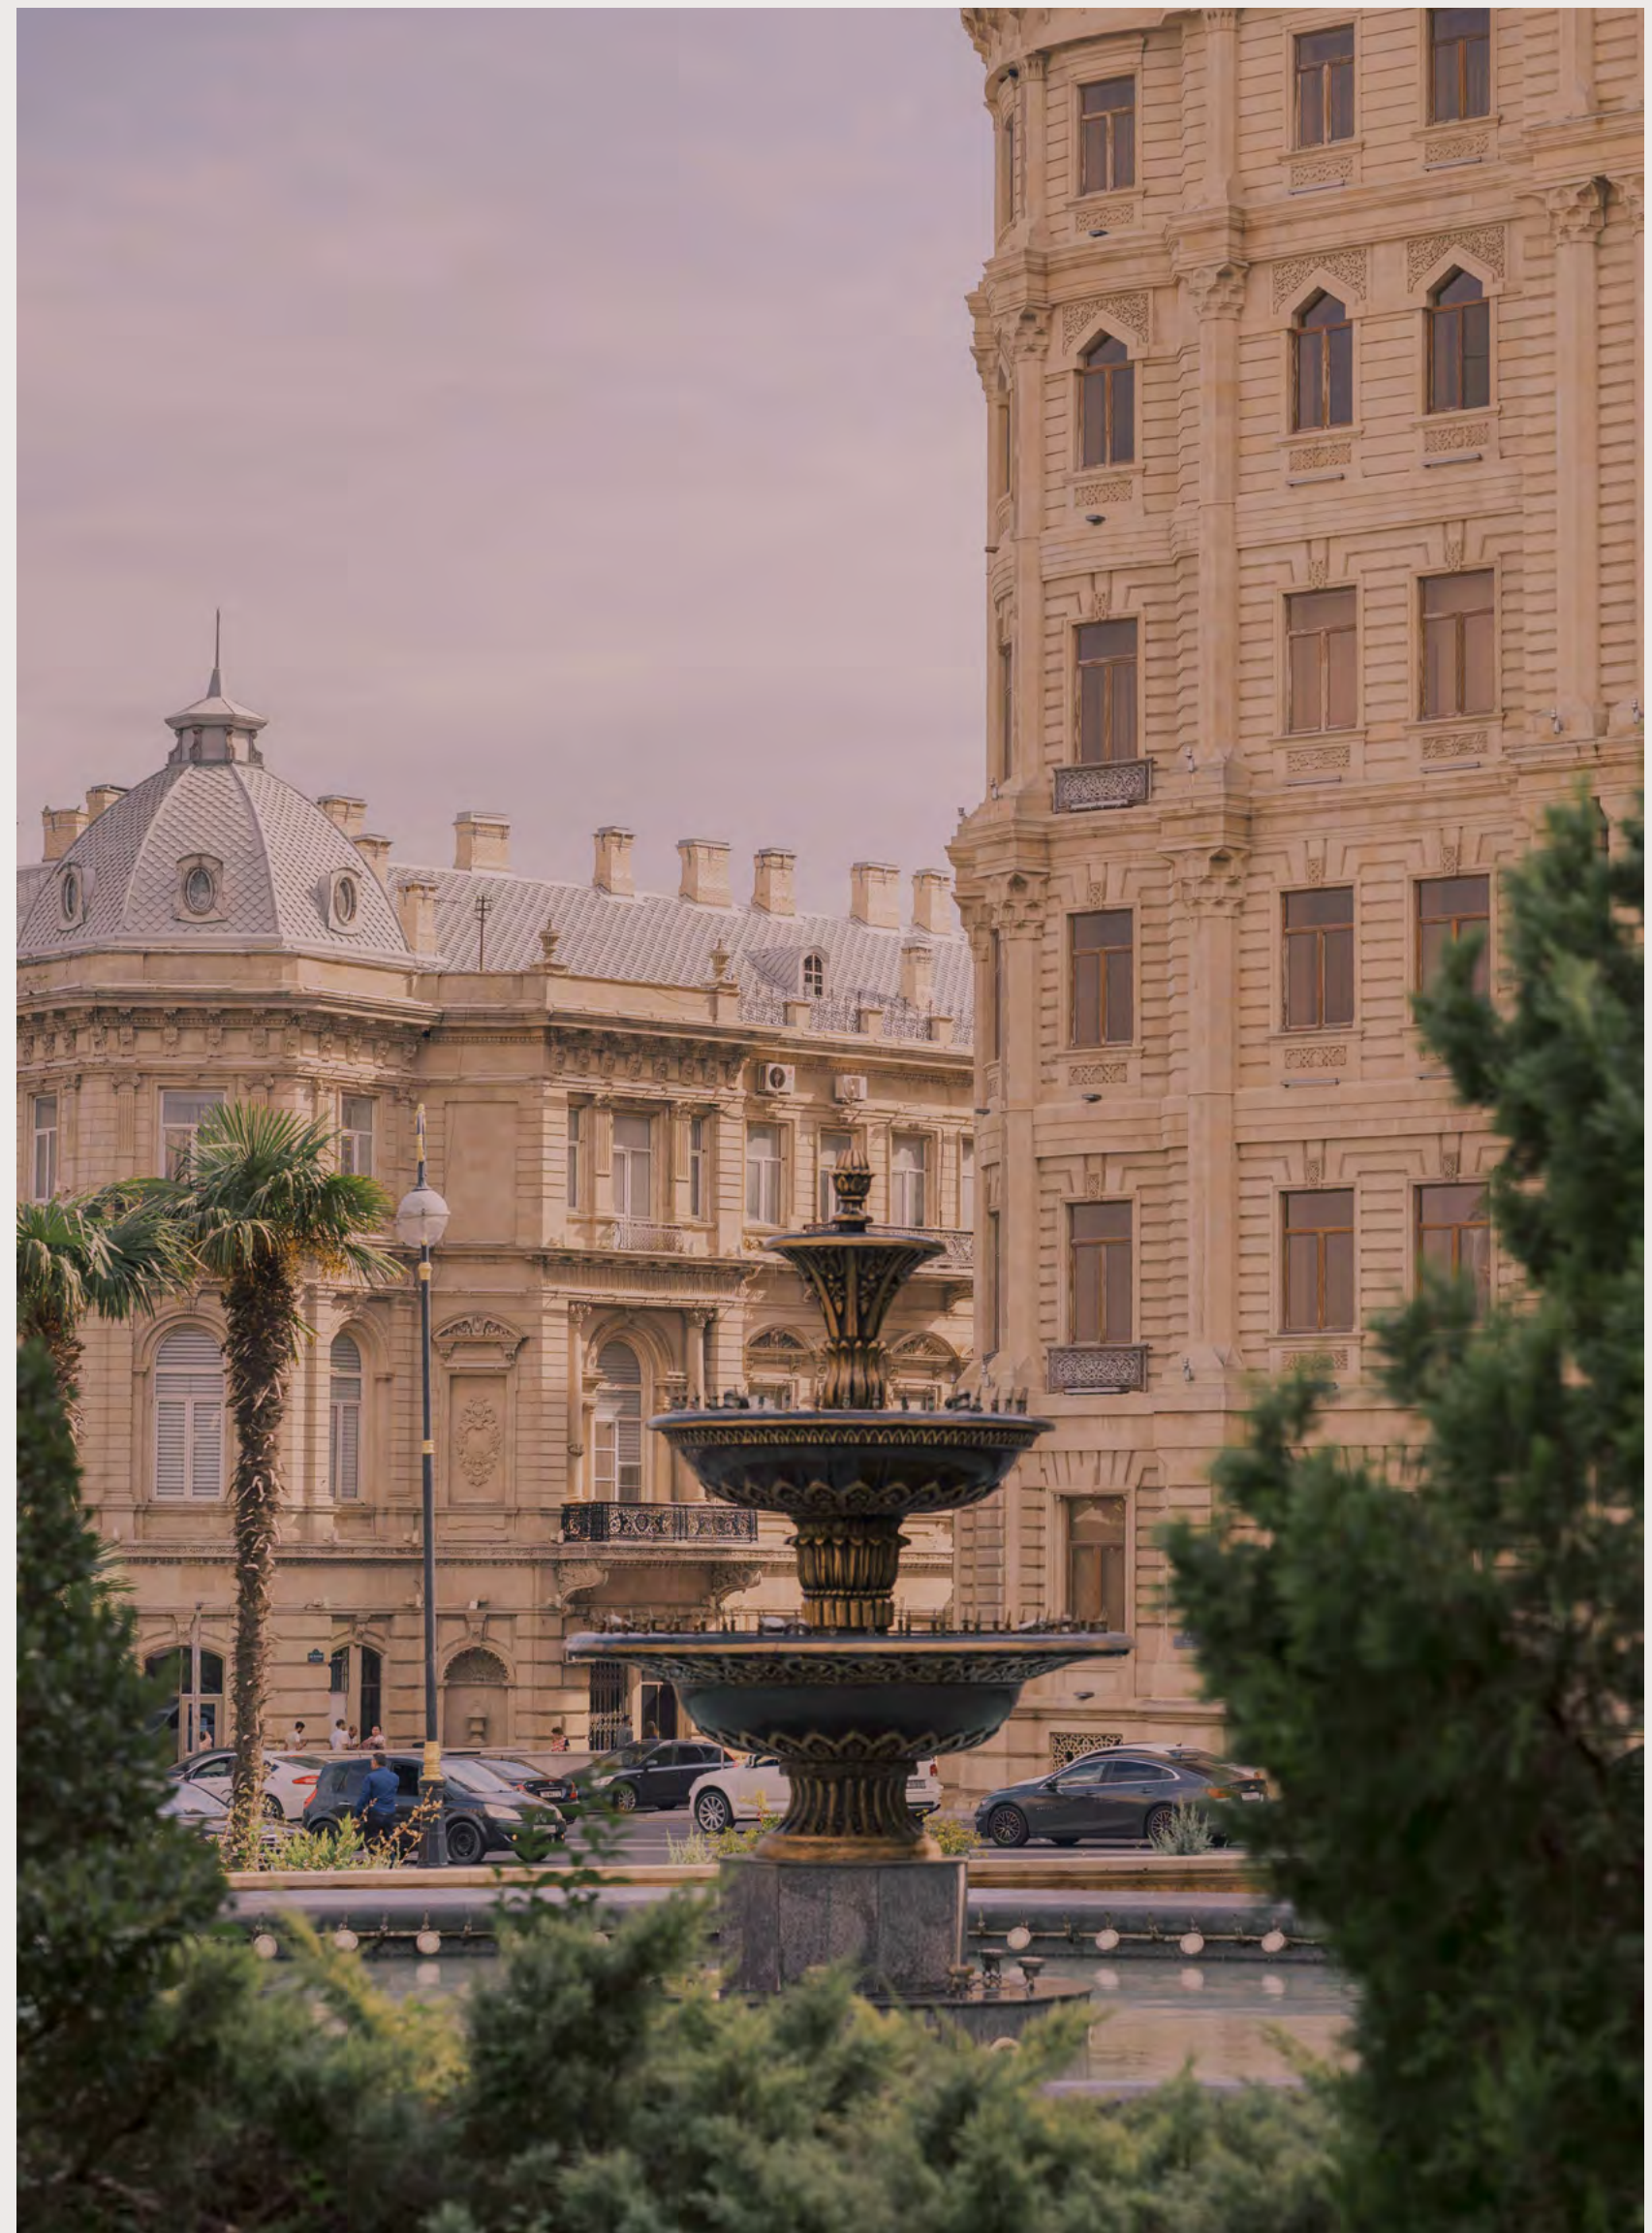

A Waterfront Urban Oasis

Bringing together five inspiring projects including the iconic centrepiece of 5-star hotel The St. Regis, Baku Crescent Bay is the region's most aspirational destination. At its heart, a state-of-the-art Crescent Mall for the latest in fashion, entertainment and culinary trends, as well as office spaces with breathtaking ocean vistas that inspire great success. Along boulevards dappled by luscious greenery, urban life thrives on the waterfront amid a vibrant community and the most stunning of sea views.

At the Beating Heart of the City

A prestigious enclave touched by the Caspian Sea, Crescent Bay sits at Baku's lively core - the city's business and commercial hub that shimmers bright with daily productivity and verve. Adjacent to the trend-setting neighbourhood of Port Baku, its acclaimed business district and luxury shopping mall, this is fast becoming the city's most celebrated address.

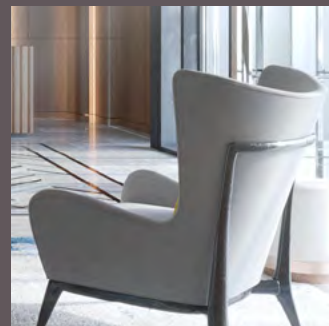

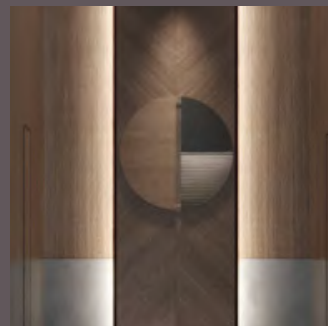

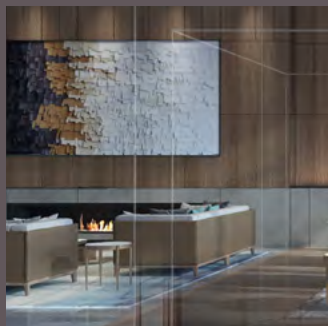

Inspired by the Capital, Crafted with Rare Elegance

Crafted by DSA Architects, celebrated for global acumen, creativity, and technical prowess, Crescent Residences are a testament to refined elegance. Inspired by their illustrious neighbours and the panoramas of the capital, DSA Architects conceived a sleek addition to Baku's waterfront. Now an integral part of the Crescent Bay mixed-use scheme, the residences anchor this convivial haven. As a collective, the architectural gem stands tall as a silent ode to the art of understated luxury, seamlessly integrating with the city's rich tapestry and its surrounding landmarks. Inside, the same refinement infuses every space and amenity from the greeting at reception to the fitness centre and 7th floor, elevated pool.

THE RESIDENCES

Your home of dreams in the pulse of urban life

Crescent Residences take pride in their unique and spectacular waterfront location. From cosy one-bedroom apartments to duplex townhouses in which families can grow, each residence is sold with open and flexible layouts giving you the rare, wonderful opportunity to design your dream home.

Beacons of Refined City Living

Apartments

A total of 163 residences grace the magnificent tower from the lower levels that thrive off the urban vitality of Crescent Bay to the heights of the 32nd floor that enjoy the most sensational views. With sizes ranging from 89 to 375 m², each apartment can be configured differently with a choice of up to five bedrooms - the decision for how your home is designed is only yours to make. No matter the arrangement, the floor-to-ceiling feature windows will always command the most attention by inviting the extraordinary seascape to flood in.

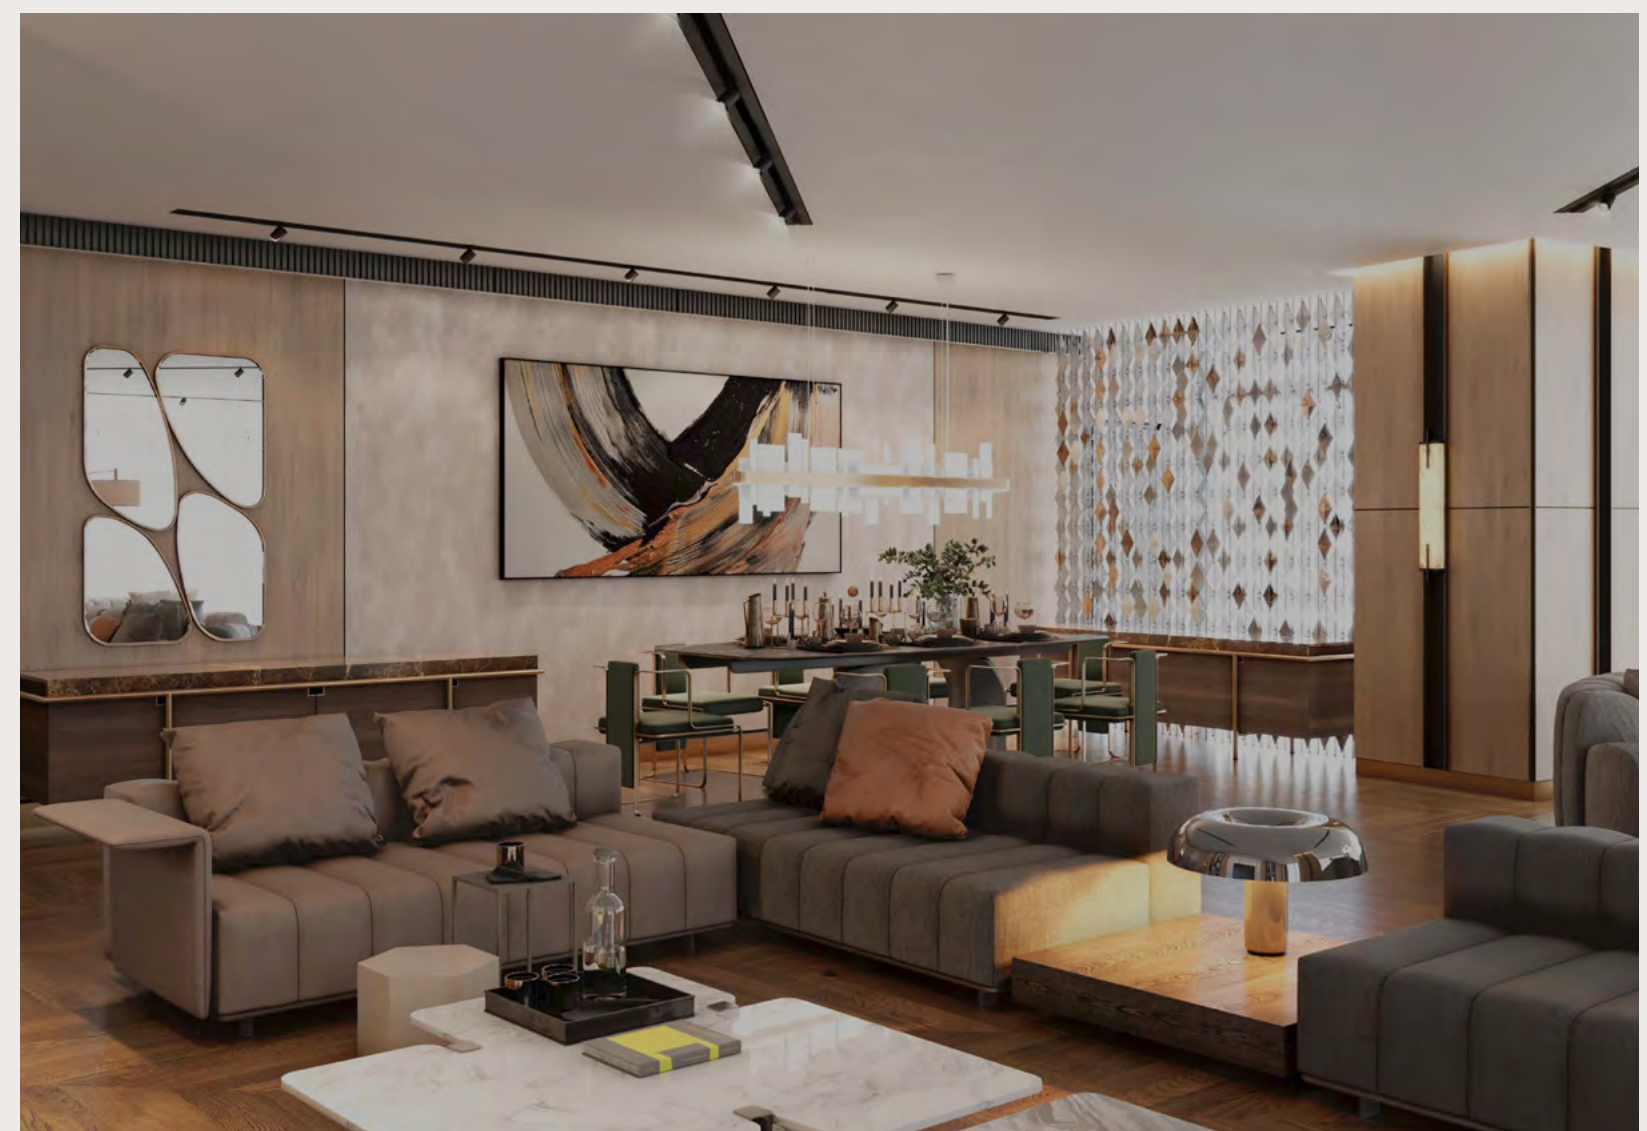

Townhouses

Perched atop the sixth and seventh floors lies a rare collection of townhouses like nowhere else in the region. Sizes range from 217m² to 706m² offering configurations from two to five bedrooms; each showcasing panoramic views of the Caspian Sea, The St. Regis, Baku and the cityscape beyond. Spread across two floors with living areas on the first and bedrooms nestled above, the surprisingly lofty ceilings give the interiors an airy elegance to befit the prestige of their address. Completing this lifestyle are private terraces and balconies, seamlessly blending indoor and outdoor spaces in harmony with the majesty of the vistas of Baku Bay all around.

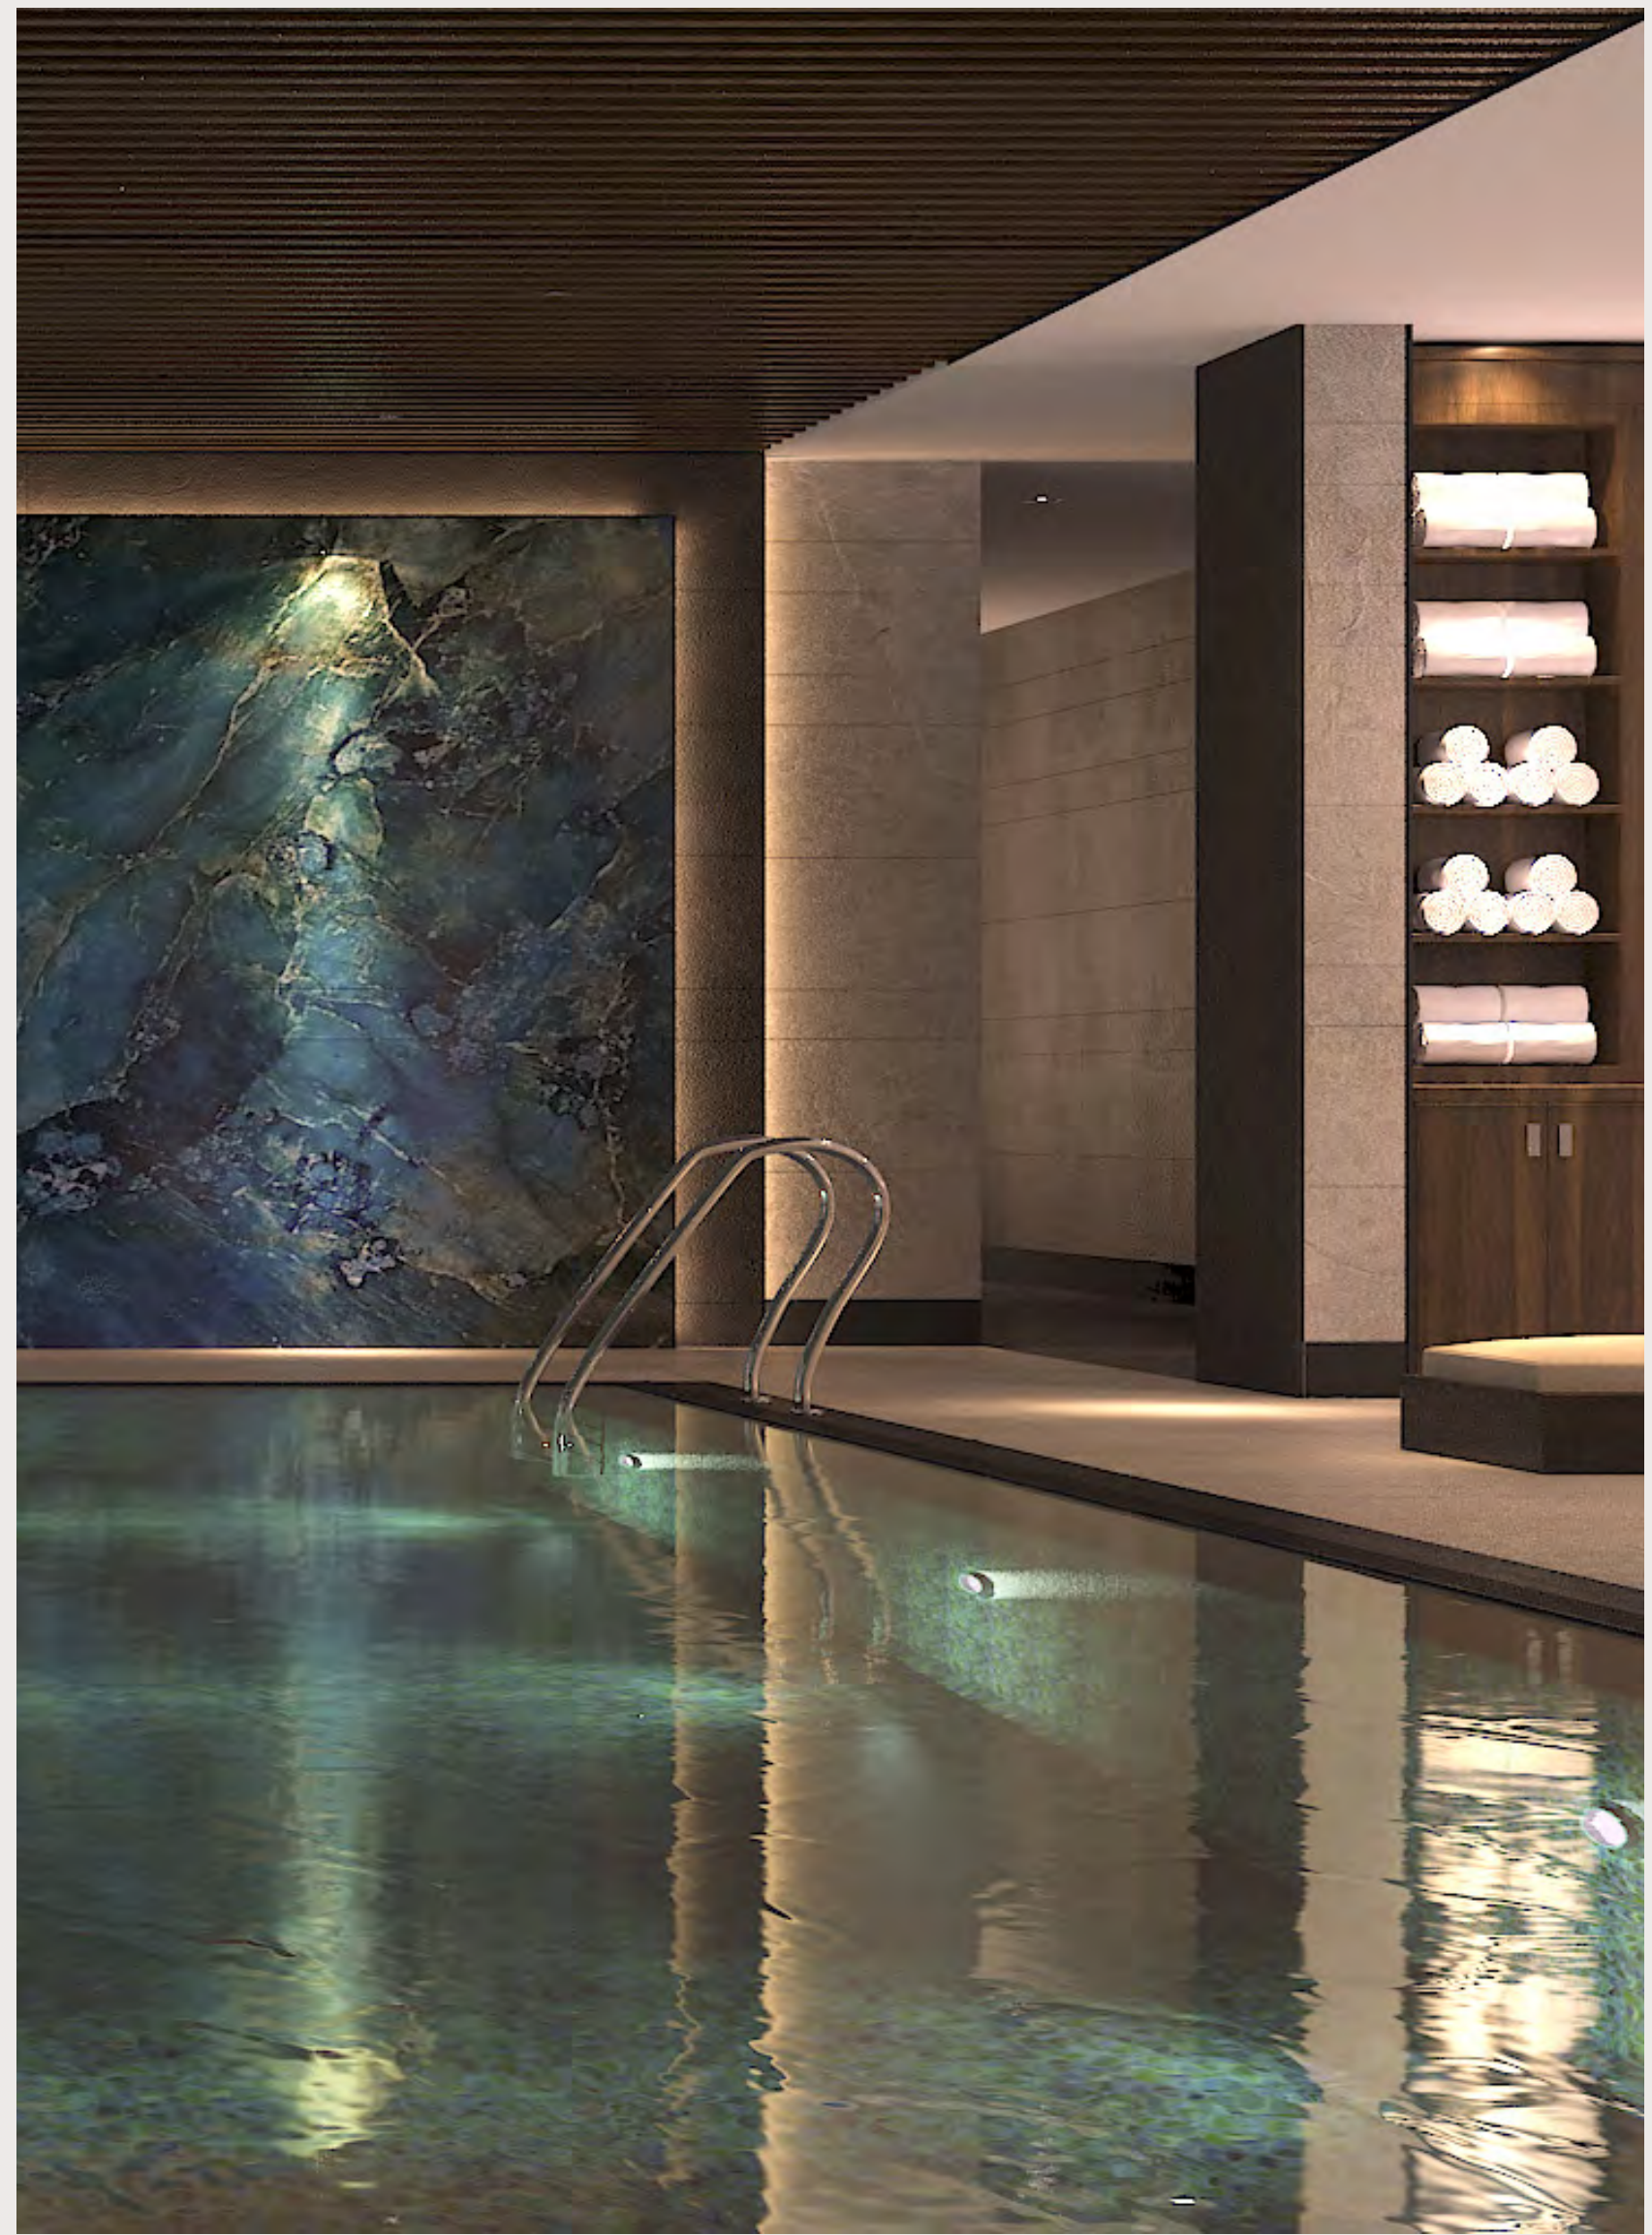

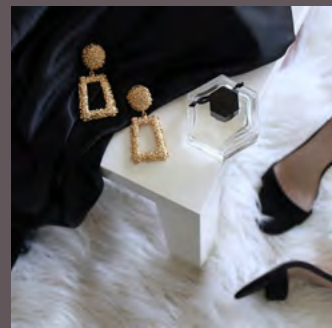

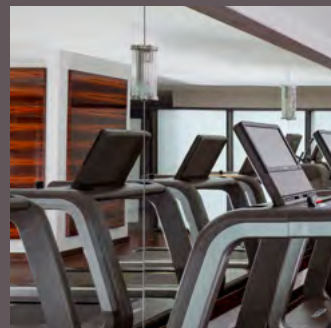

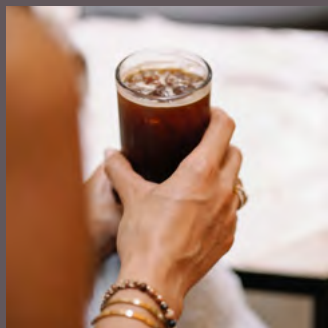

Days of Glamour, Well-being and Ease

Crescent Residences offer residents access to a world where their wellbeing is of the utmost priority. Owning a home here among first-class facilities, excellent security and boundless opportunity, promises a lifetime of enduring value and joy. Enhance the everyday with meticulously designed indoor and outdoor amenities including a swimming pool, spa, cutting-edge fitness centre, and a welcoming residents' lobby. And with Crescent Bay right on your doorstep, a lifestyle of luxurious convenience and social prestige shimmers excitedly in wait.

CRESCENT BAY

A Waterfront Heaven of Global Distinction

Crescent Bay is steeped in excitement and intrigue, offering a world of waterfront living, working, shopping, and entertainment where everything is right on your doorstep. Stretching 10 kilometres along the water's edge, the adjacent Baku Boulevard boasts lush greenery, setting the stage for a captivating urban oasis. Communal spaces, running and bike paths, and dancing fountains further enhance the allure of this remarkable locale. With Crescent Residences as its anchor and the upcoming iconic St. Regis Hotel & Residences catapulting the destination to global fame, a grand mall and office tower complete the collection of Crescent Bay amenities, creating a place to eat, work, rest, and play for those in pursuit of a life lived well. This is a sophisticated new chapter in the city's evolving tale.

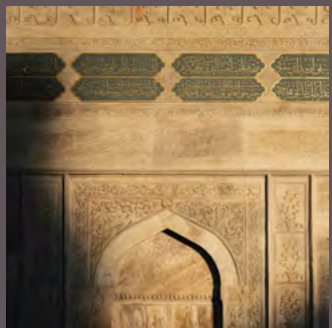

Retail Adventures and Convivial Moments

Step into the vibrancy of Crescent Bay's centrepiece, a bustling mall surrounded by an array of cafés and restaurants. This is a place where every moment pulses with convivial energy and possibility.

The mall is a haven for shoppers, featuring an impressive selection of beloved brands, local boutiques, and everything in between. As you explore, the enticing aromas of freshly brewed coffee and gourmet dishes beckon from nearby eateries. From breakfast meetings to lazy lunches with friends, and dinners that extend into the night, every culinary experience here is a journey of its own.

From morning to night, there is a perpetual buzz of activity at the water's edge, both slow and revitalisingly fast-paced. Dawn-infused jogs along the Boulevard, breakfast meetings, cinema matinees, afternoons of shopping, and the glittering promise of cocktail alchemy at sundown – you will want for nothing except more time to do it all.

BAKU

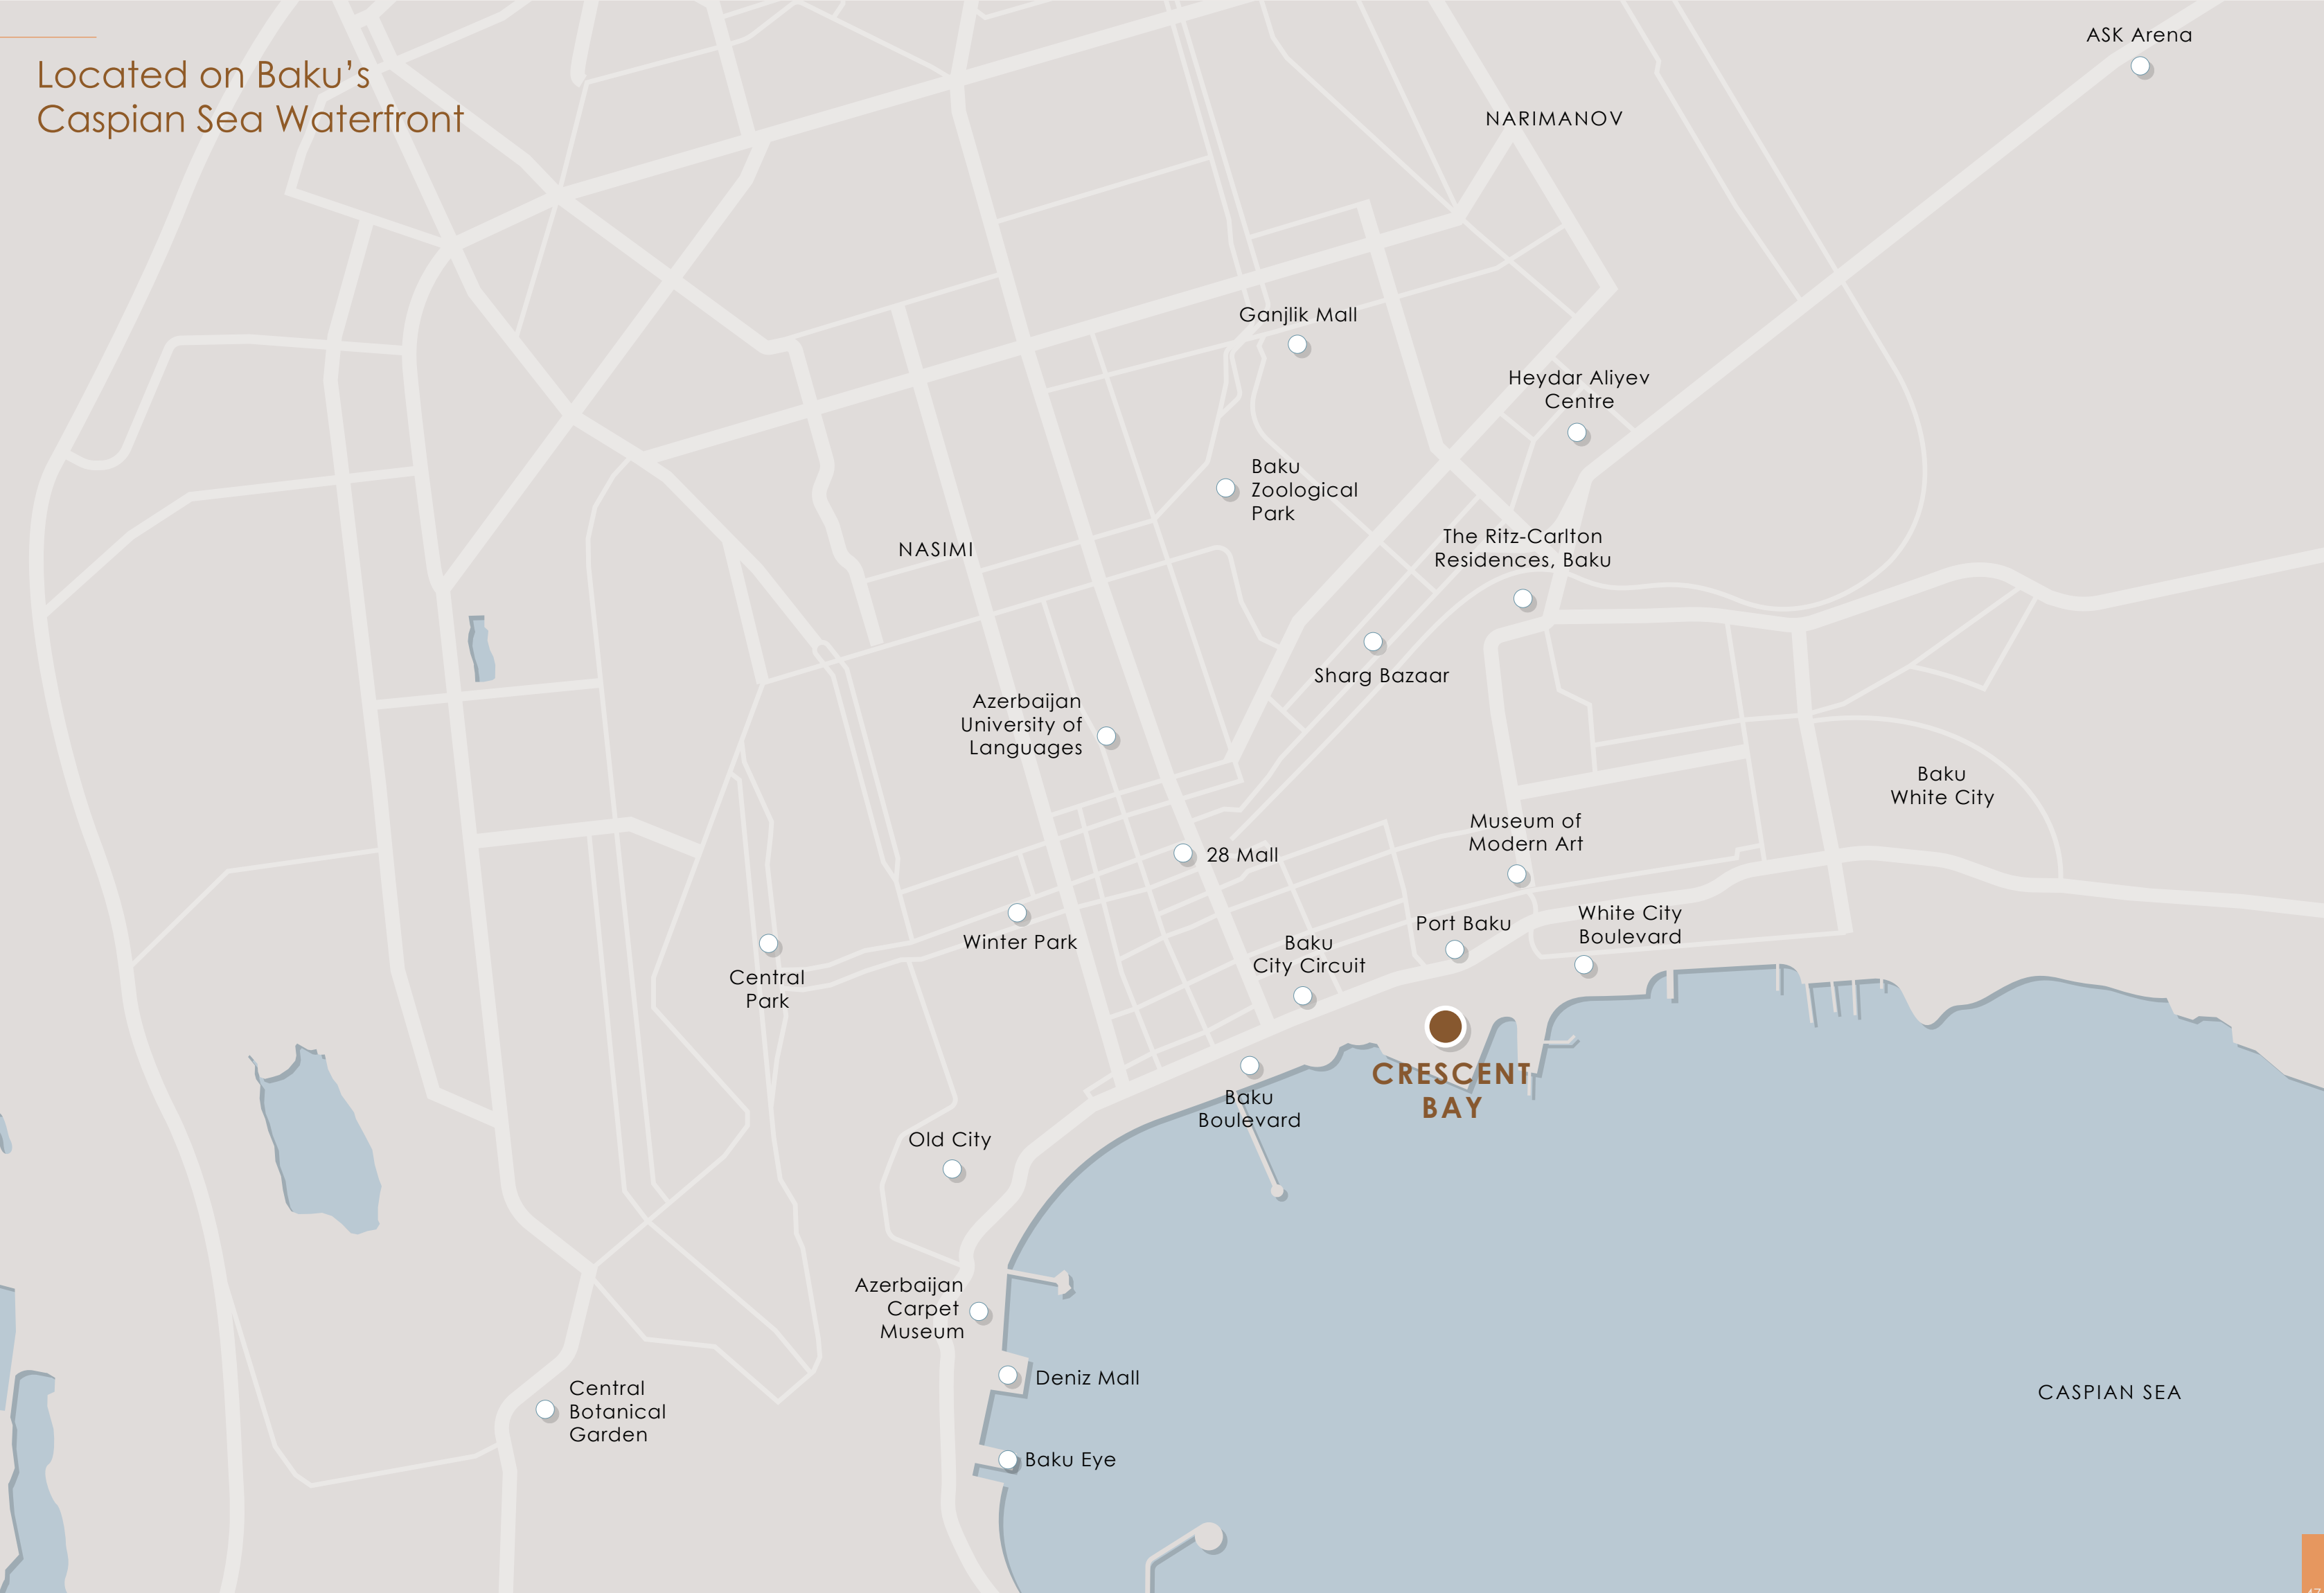

Where Tradition Meets Innovation

The “Land of Fire” that graces the shores of the Caspian Sea, Baku captivates the world with its extraordinary blend of contrasts.

Baku's rich tapestry of new and old manifests in its abundance of cultural treasures and experiences: from ancient landmarks such as the UNESCO World Heritage Site of Old City, the Maiden Tower and Palace of the Shirvanshahs to modern marvels like the iconic Heydar Aliyev Centre, bustling Baku Boulevard, and the Baku City Circuit, home to the prestigious Formula One Azerbaijan Grand Prix.

Crescent Residences

Unlock Prosperity with Exceptional Returns

Investing in Crescent Residences offers a rare and wonderful opportunity in a city where property prices have surged dramatically by 65% over the past eight years. The only waterfront residential properties in Baku's urban core, investors can expect exceptionally lucrative returns from rental income and capital appreciation as demand from both local and international tenants continues to grow.

Shaping Iconic Destinations

Crescent Residences and Crescent Bay as a whole are a seminal part of the PASHA Development portfolio, which includes many of Baku's iconic existing and future residential addresses such as Port Baku Residences and The Ritz-Carlton Residences, Baku. With its proven track record and award-winning portfolio, it is considered the country's leading property company. Internationally, the jewel in the crown is the Portonovi resort in Montenegro - an ultra-luxury 24 hectares of residential neighbourhoods, the first One&Only hotel in Europe with private villas, retail, dining, leisure and sports facilities, and a spectacular superyacht marina.

Whilst PASHA Development is behind the construction of these extraordinary homes, it is PASHA Real Estate that will launch Crescent Residences on the global market. Proud to assign their name to the project, PASHA Real Estate expects that, with this unrivalled location and stellar potential, investment in these homes be rewarded with lucrative returns in exceptional record time.
